Message: Dear Governor: I have a comment about our State Flag, we have today. I think that it is a shame to do away with out hertiage that we have honored for so long. Our Flag is great, no other like it in the United States. This one is ours. I cannot understand how a minority rule the majority of our people in our State. I have served my God, My County in the Military and our State. Most all other states has changed the flags. Let us be the first in something, and not change ours. Thanks for your time and effort to listening to my remark for our flat that I so dearly love.
